Football match.

The event took place in the famous stadium at the Moscow. Me and my family arrived to the football match we had plenty of feelings about match. We already booked our seats on match. While we were sitting we saw one of the team (with) took a part in the match. The match starts at 9 p.m. As soon as it starts we went and ate some hot dogs then we bought a coke. There were me, my mum, my dad, my sister, and grand mother. I was really happy when the match started. I wait it for the 30 minutes. It was Russia vs french. It was really stressful suddenly the french score their first goal. Late (the) Russia started winning the score is 2:1 finally Russian players (win) we were grateful about our football team. In the end we arrived home and made a party.
